### APPLETON WISKE PRIMARY SCHOOL

As the school year ends on Friday the 22<sup>nd</sup>, our year 6 children will leave us to continue their education at secondary schools. For some of our parents this will be their last farewell assembly as it will be their youngest child who will leave. Thanks for their continued support for our school and their help with all of the activities over the years.

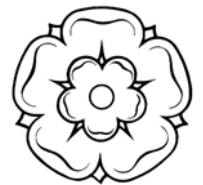

Our new head teacher, Mr. Neil Clarke has already visited the school and met with staff and some of our children. He has already met with some of our parents as they collected their children at the end of the school day.

In the summer term, the year 6 children spent time at the Robinwood Outdoor Centre near Alston in Cumbria and had a great time. Thanks to Mrs. Atkinson who made it possible by volunteering to go with them.

Our girls football team represented Hambleton Schools at the North Yorkshire School games and as the smallest school in the competition did themselves credit.

The whole school spent a day at the Forest School. Our thanks go to Tony and Linda Elsdon for allowing us to use their wood throughout the year. All of the children walked from school, across the fields and along the riverside footpath. We were very lucky that the rain held off and the children were able to take part in all of the day's activities.

The Dog Warden has been informed and he has also been told about other hotspots, eg. Church Yard, Hunters Ride & Paddock.

So we can all live in an environment that is clean and friendly please can we remind all once again to **PICK UP** after your dogs and be responsible dog owners.

**PLEASE DO NOT LET YOUR DOGS ROAM ROUND THE VILLAGE UNSUPERVISED**

## **Appleton Wiske Post Office and Village Shop**

Jackie McReddie has applied to take over the Post Office in the Village. Applications are going well and meetings taking place. Hopefully this should happen very soon to give us a service that we need in the village.

Yvonne Hills and Jackie McReddie are taking over the Management of the Village Shop as Tony Lawson is retiring.

Hopefully the transition should be complete by the end of August.

We hope you will support both Jackie and Yvonne in their new joint venture and they are both looking forward to seeing you in the shop and would welcome suggestions on the services you would like to see on offer in the shop. Jackie and Yvonne have put leaflets through the doors of most properties in the village asking for feedback - please take this opportunity to support them in keeping this valuable service going in the village.

## **Play Safe this Summer**

As the summer holidays are now upon us please can parents pass on the following messages to their children to ensure the safety of all residents of Appleton Wiske.

- a) We have received reports of children climbing on the roof of the pavilion at the playing field. This is a fragile roof and is NOT safe for climbing on.
- b) Cyclists - The Highway Code states you must NOT cycle on pavements. while the law applies to all, guidance has been issued to allow the police to show discretion to younger children cycling on the footway for whom cycling on the road would not be a safe option. Children should, however, always be mindful of and courteous to anyone using the footway which may involve politely making their presence known if approaching from behind, slowing significantly or dismounting to allow pedestrians to pass.
- c) Cyclists should keep both hands on the handlebars except when signalling or changing gear and you should not carry anything that may affect their balance or may get tangled with chains or wheels.
- d) Cyclists should not ride in a dangerous, careless or inconsiderate manner.
- e) Scooters - when using scooters in the village please be aware of your surroundings and other road users and pedestrians.
- f) When playing ball games on areas of village green please be mindful of cars, vans, tractors etc. on the road. **DO NOT RUN OUT ONTO THE ROAD WITHOUT STOPPING AND LOOKING BOTH WAYS.**

**MOST OF ALL PLEASE PLAY SAFE!!!**
