APPLETON WISKE SCHOOL

The school's formal catchment area covers the villages of Appleton Wiske, East and West Rounton and Picton. There are, however, many children from other local villages who attend the school. Transport for children living over two miles away is provided by coach and minibus.

The school is situated on the southern outskirts of Appleton Wiske with an outlook over open fields. The building, opened in 1983, has three classrooms, a hall and a new extension, built in 2005, housing the library and ICT suite.

In the three classes there are always at least two age groups. Currently class 1 comprises Reception and year 1 children, Class 2 comprises year 2 and year 3 children and class 3 comprises years 4, 5 and 6 children.

There are two playgrounds, a playing field and landscaped gardens. There is also a pond and 'wildlife' area, designed by the children and built by parents.

Appleton Players

The Appleton Players produce a pantomime each year in the Village Hall and this combines the talent, skills and expertise of the people in Appleton Wiske and their neighbours.

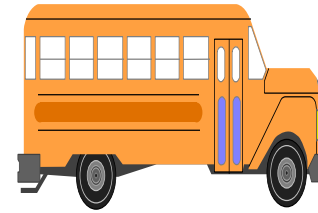

Over the last 25 years the village production has got better and better, thanks to the efforts of the committee and the many children and adults who take part in some way.

Our pantomimes have a local flavour and we pride ourselves on being able to achieve the highest quality in acting, music and song, scenery, costumes, and props.

If you would like to take part on stage, backstage, or helping out during the performances or with rehearsals, then please note the following information. Remember, whatever you can offer, you will be made most welcome.

WALKERS OF APPLETON

The 'Walkers' of Appleton are very much a social walking group rather than a rambling group. Throughout the year we meet once a month, either a Saturday or Sunday, and take turns to choose and lead a walk.

We either have a picnic lunch or a pub lunch -either way we always finish in the pub. These walks are approximately 7 miles long.

During the summer we try once a month, to also have an evening walk of approximately 3-4 miles usually ending with a meal in the pub. Although we have approximately 26 members, we usually have a group of up to 12 on each walk as most people are busy and can't make or don't want to make them all.

Walking is a wonderful way of meeting people in the village and making new friends. A few days before any walk, there is a notice on the notice board outside the Post Office however if anybody is interested, please phone me,

Beryl Thompson, on 881048.
