Appleton Wiske Community Primary School

Our children have enjoyed an eventful Summer Term at Appleton Wiske Community Primary School.

They have taken part in many sporting events such as cricket, quad kids, athletics and tennis, and we are all looking forward to Sports Day.

In May we danced around the Maypole and entertained our parents, grandparents and friends with strawberry tea – it was a fabulous community event.

We have welcomed our new starters during their transition visits and enjoyed a Teddy Bears' picnic with the whole school and a parents' lunch.

All of our children have been on some exciting class trips to places such as the Great Yorkshire Show, Whitegates Nursery, the Transporter Bridge, Saltholme Nature Reserve, a local farm and a creamery.

Our Summer Fair was a successful event and, despite the weather, was well supported by our families.

We were very proud to take part in the Appleton Wiske Scarecrow Festival and produced some impressive Roald Dahl characters which were displayed at the front of school; this year we have benefited from the money raised so we are very grateful to the organisers and committee.

Our Year 6 children are moving on to new adventures soon and we wish them the best of luck for the future.

Thank you for the generous donation received though the Scarecrow festival 2017. We are not yet able to specify money usage as that will be decided by members at the next meeting in October. PARISH BY-ELECTION

We have been informed by the Electoral Services Team Leader at Hambleton DC that the By-Election called in relation to the replacement of Ruth Barker was uncontested as only one person, Kenton Bazeley, put their name forward.

Accordingly there will not be an election on Thursday 3 August. There will only be a small cost of £100 payable by the Council for work done by HDC to date. Details have been posted on the notice board and website.

VILLAGE INFRASTRUCTURE

As you may be aware, 25% of the proceeds of the Scarecrow weekend were donated to the Parish Council to be used towards improvements to the village infrastructure. This amounts to £1448 and this will be “ring-fenced” so that it will not be used for any other council expenditure.

We are looking for ideas as to how this money could be best spent and anyone who has any ideas should put them in writing to the Parish Clerk, Leonie Smith. The money could be spent on one project or several dependent on costs. The ideas will be considered at the next Parish Council meeting on 4 September 2017.

THANK YOU

Many thanks to everyone who contributed to the House to House Collection in Appleton Wiske for Christian Aid that raised £361.18p for the work of the Charity.
