Defibrillator Awareness

In 2015 soon after the Defibrillator was installed in the centre of the village on the side of the porch at the Post Office, a well attended "Awareness Session" provided an introduction to the equipment and an opportunity to learn about its use. Those who attended the 2015 session may like to have a "refresher" and those who missed it now have the opportunity to find out how the equipment can be used. The session will be delivered by a member of the Community Resilience Team from the Yorkshire Ambulance Service NHS Trust.

The session will be held in the evening on Monday 13th November in the School Hall.

If you'd like to join this session, please let me know on defibrillator@appletonwiske.org or call me on 01609 881660 to reserve a place. Places will be allocated in the order that they are received. Full details (including the timing) will be available ahead of the awareness session. There is no charge for attending.

Saturday 13th January 2018 at 2.00pm £4.50
Saturday 13th January 2018 at 7.00pm £6.00

REMEMBRANCE SUNDAY

Remembrance Sunday falls on the 12th of November this year and Services will be held in all the Churches of the Wiske Benefice. There will be a traditional service that will include an Act of Remembrance at 10.50 in St Mary's when we recall those who have died in War and those who have been injured in mind or body.

CHRISTINGLE

Join the 5,000 churches and schools who are already involved with Christingle – and help us to raise over £1 million to support the Children's Society vital work with the nation's most isolated and vulnerable children. Service in St Mary's Church – Appleton Wiske at 5.00 pm on the 26th November.

HARVEST CELEBRATION

Many thanks to all who worked hard and to all who supported the Harvest Celebrations in Church for School, Pre-School and the Congregation. From the Services and the Collection in the Shop we filled 9 boxes, over 200 items for the Food Bank in Northallerton – Thank you!

Appleton Wiske Community Primary School

Our Autumn Term is in 'full swing' and we have already enjoyed many events. Well done to our fabulous children for making our Harvest Festival so special and a huge thank you to St. Mary's Church and to Father Simon for hosting. Thanks also to the 'Friends' of the school who provided refreshments afterwards. It was a great community event and well attended.

We have taken part in a range of sporting events, such as the Key Stage 1 fun run, Year 3/4 Mult-Skills and Tag Rugby (finishing in first place). A big well done to our children for their fantastic attitudes and sportsmanship. Our Reception children have been embracing the local forest, taking part in lots of outdoor learning, and they also enjoyed a trip to Pizza Express where they were able to make their own pizzas! Our Year 5/6 children have visited the National Railway Museum in York. They had a ride on the Malard Simulator, which was a great experience, and they took part in two workshops – Rocket to Bullet (all about how the engines changed over time) and Need For Speed (all about the fastest steam engine and the engines of the future). The children had a fantastic day and it really brought the topic to life.

A special well done to our new Reception children who are coping incredibly well with their new routines – they are a delight to have in our school.

We are looking forward to the run-up to Christmas with lots of exciting opportunities available to our children.

Neil Clark
Head Teacher
Appleton Wiske Community Primary School

DOGS TRUST COMPETITION WINNERS

The children have been busy producing posters for the village, reminding residents to clean up after their dogs. The competition was judged by the Dogs Trust and Hambleton Council. On Thursday 12th June we were visited by Alison Gray from the Dogs Trust, Councillor Watson and David Granger from Hambleton Council, and they were very impressed with the quality of the posters from all year groups and presented awards to the following children:

CLASS 1 1ST Daisy Wilson
 2nd Anouska Brook
 3rd Erin Mulholland

CLASS 2 1st Hattie Pattison
 2nd Joshua Ring
 3rd Poppy Race

CLASS 3 1st Joshua Hutchinson
 2nd Beth Luck
 3rd Olivia Ross

CLASS 4 1st Olivia Thomas
 2nd Jasmine Hastie
 3rd Sophie Chapman

OVERALL WINNER – Olivia Thomas

Well done to all the children for taking part in the competition.

Village Shop and Post Office News

The Post Office - opened 9 months ago, is doing very well and appears to be of use to many not only in Appleton Wiske and it is really nice to see our surrounding villages making use of the facility..

Christmas stamps will be in soon, though not in use until the 7th November. We have some lovely High Street Gift Vouchers that are usable in many local shops and on-line., great for Christmas presents.

Don't forget that with many high street banks closing you can do most of your banking in the post office.

The Village Shop - I am going to need your help with this one. Having taken over just over a year ago the shop was and still is a very popular amenity in the village. I have introduced many new and yummy things as well as revamped lots of areas. The floor, thanks to lots of you, is coming on a treat. What I need to say is that if the shop is going to continue to grow, I need everyone's support and everyone to come and buy.

The prices of the convenience items are not much more than the supermarket and it won't take much if everyone comes and spends just a little. However, I do need to say a big "THANK YOU" to everyone who does support the shop and to

whom I am most grateful.

Many Thanks
Jackie McReddie

P.s. Someone said that my beans are cheaper than Tesco !!

Village Traffic Survey

We have received a short report from the local police representative at the Parish Council Meeting that "the small village had no problems"

However, we are now following various other avenues which we hope will achieve more favourable results.

Thank you for the support shown to date and we will keep you updated with progress.

Angela Carlin & Richard Hausermann

Christmas Tree – 'Switch On'

Appleton Wiske's Christmas Tree lights will be switched on

Friday 1st December 2017 - 6:30 p.m.
