Yes to both questions - very sensible approach.

Many thanks

Subject: FW: Important - can we avoid wasting Parish money?

Hi Michelle

Following my failed Extraordinary meeting, I still want to resolve the financial matters.

I do not want Parish money wasted on McAfee's auto renewal at £99.99 (email attached) when I can buy something else for under £30.

I consulted the Financial standing orders, and it says that the Chair can authorise expenditure under £100.

Therefore, would you like to authorise me to cancel McAfee and buy ESET Home?

Furthermore, the standing orders say that "all items in excess of £150.00 which have not been budgeted must be advertised in advance on the agenda..."

The grasscutting - which I wanted to pay during the August recess, IS budgeted. Therefore, could I pay it without having to bring it to a meeting?

Regards

Helen
