

RAF LEEMING

AIRFIELD REFURBISHMENT BRIEF

15 NOV 2023

JUNIOR RANKS MESS

1400 - 1530

In September 2023, a significant schedule of works began at RAF Leeming. The Airfield Refurbishment project will provide serviceable operating surfaces via a scheduled rehabilitation of the existing pavements and lighting to ensure that existing operations are maintained.

- What is it?
- How long will it take?
- What does it mean for you?

Station Commander, Group Captain Paul Hamilton will be joined by experts from the Defence Infrastructure Organisation and contractors Volker Fitzpatrick to provide information on the project, and what it will mean to those living and working in the surrounding areas of RAF Leeming. Topics covered will include:

- Road safety/Traffic Management
- Noise and light disturbance
- Access to Station
- Further Community Engagement

Please register your interest to attend the event at zoe.davis568@mod.gov.uk by **1200 on Monday 13 November**. Spaces will be allocated on a first come first served basis with a max of 4 attendees per Parish Council. We look forward to hosting you and keeping you informed throughout the project.
