Subject Vacancy for a Parish Councillor

Morning all,

I understand that there is a vacancy for a Parish Councillor in the village.

I am interested in applying as all of you know I am interested in the upkeep and future development of the village.

Should you need a CV I would be happy to forward one.

If co-opted to the PC unfortunately I have a previous engagement the first week in November but would be available for the December meeting.

Also I understand that you have not yet recruited a replacement Clerk. I have always said I would help you out if needed so if you need a temporary Clerk for up to 6 months I would be happy to help you out.

Kind regards

Sue McDonnell
