Subject North Yorkshire Council - Draft Statement of Community Involvement

Dear Ken Blackwood

## **Public Engagement in Planning - Consulting on the Draft Statement of Community Involvement**

I am writing to you as you have asked to receive updates on the North Yorkshire Local Plan. The first stage of the process involves setting out how and when the council will engage with communities and other organisations. This is set out in what is called the Statement of Community Involvement.

We are therefore seeking your views on how the community can be effectively involved in local planning.

The draft Statement of Community Involvement is available until 22 December:
